

NATE LESLIE

CERTIFIED EXECUTIVE COACH

ABOUT NATE LESLIE (ACC, CEC, M.ED.)

My careers as a professional athlete, educator, and entrepreneur led me to Executive Coaching. I'm a lifelong learner and speak English, German, Swiss German, and French. I've travelled to nearly 40 countries, played professional hockey in one of the best leagues in the world, spent a night in a volcano, ran out of oxygen scuba diving (2x), forgot lyrics to a song on stage in a live gig, and changed the future of youth hockey in Mongolia, to name just a few adventures.
